

What IF Plan! 2019 Texas Dash

Team Name

Please turn this form in at Registration!

What if the boat has a break down off shore?

Skipper will notify its team manager (TM): _____

if they will be delayed in the race by more than _____.

If they will need to be met at the beach with replacement part(s), the Race Committee (RC) must be notified.

Skipper and TM agree that they will stay in communication if they will be arriving after dark or more than _____ hours after estimated arrival time for all boats.

If there is no communication for _____ after the initial notification – the skipper gives permission for its TM to notify the RC that the Coast Guard may need to be called.

The TM and Skipper have reviewed who needs to be notified in case of emergency and at what point in the event they will need to be notified.

The Skipper and TM have discussed communication/messaging/codes that they will use in the event of an emergency.
